2026 ROTARY DISTRICT 7620 CONFERENCE

District Governor's Message

Welcome from District Governor Dawn M. Wittfelt
District Governor 2026-2027 | Rotary District 7620

Dear Rotarians, Rotaractors, Guests, and Friends:

Welcome to the 2026 Rotary District 7620 Conference! It is truly a joy to welcome you to Columbia for a weekend that I hope will be much more than meetings, speakers, and programs. My hope is that this conference gives us an opportunity to reconnect with old friends, build new relationships, learn from one another, and remember why we chose to become part of Rotary in the first place.

Our theme, **"Youth & Peace - Building Connections, Inspiring Impact,"** reflects something I believe deeply: lasting change begins when we bring people together. It is created when we build stronger communities, invest in young people, listen to one another, and give people hope for a better future.

Throughout this weekend, you will hear from people who are doing exactly that. We will explore trauma care and stronger communities, violence prevention and conflict resolution, membership and engagement, online safety, and Rotary's worldwide commitment to peace. We will also hear directly from our Youth Exchange students and a Rotary Peace Fellow - reminding us that when we invest in young people and equip them to understand one another, we are investing in a more peaceful world.

And, because this is Rotary, we won't just talk about service - we will serve. Our Comfort Cases service project gives us the opportunity to work side by side and make a tangible difference in the lives of young people.

I encourage you to make the most of this weekend. Sit with someone you don't know. Ask another club about a project that excites them. Visit the House of Friendship. Attend the breakout sessions. Share an idea. Start a conversation. And most importantly, think about what you can take home to your club and your community.

Because the real measure of a District Conference is not simply what happens while we are here. It is what happens after we leave. If one new relationship becomes a partnership, if one idea becomes a service project, if one conversation inspires a member, or if one project changes the future for a young person, then together we have begun to **Create Lasting Impact.**

Thank you for being here, for believing in the power of Rotary, and for everything you do in service to your communities and our world. I hope you leave this weekend reconnected, reenergized, and inspired to turn connection into action and action into lasting impact.

Welcome to the 2026 Rotary District 7620 Conference. Let's make it a weekend to remember!

Rob Scheer
Founder, Comfort Cases®

Empowering Children. Strengthening Communities. Creating Lasting Impact.

Rob Scheer

Rob Scheer is the founder of Comfort Cases®, a national nonprofit dedicated to uplifting children entering foster care with dignity, hope, and essential items. Rob experienced foster care firsthand, entering the system at age 12 with only the clothes on his back. At 18, he aged out of foster care and was homeless.

In 2009, Rob and his husband, Reece, welcomed their first two children from foster care — a brother and sister who arrived at their home with their belongings in a trash bag, just as Rob had years before. That moment inspired the creation of Comfort Cases in 2013.

Today, Rob and Reece are the proud parents of five children, all adopted from the foster care system. Rob is a passionate advocate, speaking at schools, universities, corporations, and government forums to raise awareness and drive systemic change for children in foster care.

He is the host of the top-rated podcast *Fostering Change*, author of the memoir *A Forever Family: Fostering Change One Family at a Time* (Simon & Schuster), and a frequent guest on national and local media. In 2022, Rob was awarded an Honorary Doctorate degree from Lynn University and delivered the Commencement address to that year's graduating class.

Prior to becoming Comptroller, she served eight years in the Maryland House of Delegates representing part of Baltimore City, where she held leadership roles on the Appropriations Committee and the Environment and Transportation Committee, and chaired the Oversight Committee on Pensions.

As Comptroller, she is modernizing the agency, expanding public engagement, and serving as a fiscal watchdog on the Board of Public Works. Her work is focused on creating a more equitable, resilient, and prosperous Maryland so that all Marylanders can reach their full potential.
